#### **Important Information about Payment:**

- Credit Cards are not charged until ordered items are shipped.
- Debit and Bank Cards may be charged immediately upon order.
- For your security, your billing name and address must match that of the credit card used for payment.
- We reserve the right to cancel any order that does not match this criteria.

## **SALES TAX:**

Pursuant only to those states requiring that we charge applicable sales tax on orders shipped.

A **6% Florida Sales Tax** will be added to all orders shipped within the **State of Florida**. Also, some Florida counties may be subject to ***Discretionary Surtax*** where applicable.

## PayPal-

PayPal is an alternate method for purchasing your order on [www.necktitemagic.com](http://www.necktitemagic.com). It enables any individual or business with an email address to securely send payments online.

With a PayPal account, you can choose to pay with your credit card, debit card, bank account, or PayPal account balance for any purchase you make. Your credit card and bank number are never seen by the seller or merchant, plus you are 100% protected against unauthorized payments sent from your account.

## PayPal Conditions-

- If you select PayPal as your payment option, you will continue through the standard checkout process and then automatically proceed to [paypal.com](http://paypal.com) to complete your payment.
- Once you have been redirected to [PayPal.com](http://PayPal.com), you will have 25 minutes to complete the payment before your order is dropped.

## PayPal FAQ-

- **How does PayPal work?**

PayPal is used to securely send payments over the Internet. You can choose to pay from your PayPal account balance, a credit card, debit card, or bank account.

To make a PayPal purchase, select PayPal during checkout on the [www.necktitemagic.com](http://www.necktitemagic.com) website and choose your method of payment. Your funds are transferred immediately and securely.

- **How Do I Create a PayPal Account?**

To get started, fill out the PayPal registration with your desired account type, country of residence, home address, and login information.

- **How Secure is PayPal?**

PayPal is highly secure and committed to protecting the privacy of its users. Its industry-leading fraud prevention team is constantly developing state-of-the-art technology to keep your money and information safe. When you use PayPal to send money, recipients never see your bank account or credit card numbers.

- **How Do I Contact PayPal Customer Service?**

For the fastest response, you may access the user-friendly Help Center. Developed by the PayPal Customer Service team, this Help Center contains a comprehensive information database. Simply type a question into the search box to receive an answer. If you do not find the information you need in the Help Center, PayPal Customer Service representatives are available to assist you. **Customer Service: 1-402-935-2050**
